About LST:

London Speech Therapy was founded in early 2009 and is led by Emily Kirchin and Máiréad Donnelly, our Company Directors. We aim to provide evidence based, engaging and effective therapy to all our clients, whether in home, school or clinic.

LST Values:

At LST we believe all employees should strive to be:

- A Team Player
- A Clear Communicator
- Open and Honest
- Excellent and Forward Thinking in their Clinical Practice
- Reflective
- Flexible and Adaptive
- Positive

Registered address: Newtec Clinic, 22 Deanery Road, London E15 4LP

Job Purpose:

To provide speech and language therapy within schools, clinic or client's homes.

To assess and treat own caseload of clients and maintain records as an autonomous practitioner

To ensure the service is provided in close collaboration with education staff and other professionals to meet the needs of the clients

The clinical work will include:

- Assessing and providing advice on a range of communication disorders to other professionals and families both within schools / clinic
- Developing and maintaining clinical skills and knowledge in a range of communication disorders to enable the supported management of a caseload of children and young people
- Planning appropriate evidence based therapeutic intervention, making judgements about type and timing of treatment in collaboration with education staff/ school/ nursery / home as appropriate
- Delivering group and individual therapy as required
- Providing regular written and verbal advice, reports and therapy programmes to education staff, parents and other health professionals
- Providing families with advice and training to support the management of intervention and ensure generalisation of targets
- Evaluating treatment outcomes using a range of therapeutic and educational frameworks
- Providing discharge reports as needed

Professional Responsibilities:

- Managing a caseload whilst recognising own professional boundaries and accessing supervision, advice and support when necessary
- Maintaining up to date and accurate case notes in line with professional standards and LST policies
- Collecting clinical data and writing reports for Annual Reviews and for other reports as required
- Supporting service improvements in collaboration with the LST team
